Dear, Mr. Mullane.

Thank you for the opportunity to work with WayCAM! You have taught me so much over the past few years, and I am looking forward to continuing my career path with TV Production in the fall. I will be using 2020-2021 as a transition year to strengthen my skills and help to build my resume. Your class and volunteering at WayCAM will be a significant part of that, and I am truly thankful for your help.

The skills I learned in Script to Screen gave me the confidence to enroll in a special effects course offered through Exceptional Minds this summer. I am eager to dive deeper into this field of film and share my knowledge with the WayCAM staff. You have been a wonderful teacher, and I am so grateful that WayCAM has been a part of my education. It has been such a gift to have the TV station there on campus! It has truly changed my life for the better.

Sincerely,

Conrad Spann
