

## OLD SUDBURY ROAD (ROUTE 27) BRIDGE CLOSURE

AUGUST 19, 2020—SEPTEMBER 16, 2020

The Town of Wayland has scheduled bridge rehabilitation work for the Old Sudbury Road (Route 27) Bridge for August 19, 2020 through September 16, 2020. The work involves the replacement of the concrete deck surface and repairs to the wooden piers and underside of the bridge. The work will be completed in two phases the first of which will require a complete road closure. All traffic will be detoured to Boston Post Road (Route 20) in both directions for the duration of the deck replacement. Signage will be placed along the route to inform drivers of the appropriate detour route. Phase 2 work to occur in the Fall will involve less traffic interferences. Future notices will be provided on the Phase 2 work.
