Wayland's Vision and Priority Practices

The Wayland School District believes that students will gain ownership of their learning through a more personalized learning experience by way of:

- differentiated learning within the classroom
- opportunities for active student learning through collaborative, interdisciplinary, and real-world inquiry
- more voice and choice over how and when they master skills and content

Priority Practices:

- 2D - Students have choices in how they demonstrate their understanding
- 2G - Teacher encourages student ownership of learning
- 3D - Teacher provides opportunities for students to reflect on their own data

Daily Life in Ancient Egypt

Directions: Read the following information about daily life in ancient Egypt and the Egyptian social classes.

After you read, you will write a letter to a friend in Mesopotamia, describing what life is like in Egypt.

OR

You will write a TREES paragraph that shows how important religion was to the Egyptians.

As you read, highlight 5-10 facts or descriptions that you might use in your letter or TREES paragraph.

Me gusta practice options (choose 2):

- ❖ Print the "me gusta" practice worksheet attached to this assignment. Complete it and insert a picture of both sides of the completed worksheet on slides 4 or 5
- ❖ Complete conjugemos # 41- me gusta la comida for 5 minutes. Insert a screenshot of your score to slide 4 or 5- it should be above 85%
- ❖ Practice "learn" or play two games (for at least 5-10 minutes) using this quizlet set: "[me gusta la comida](#)". Insert a screenshot of your score(s)/completed work to slide 4 or 5
- ❖ Choose 15 words from your vocabulary sheet (in the purple packet). Write a sentence saying if you like each one or not and **why** (i.e. I like tomatoes because they are (son) juicy). Insert a picture of the completed sentences on slides 4 or 5
- ❖ Interview a friend from class and have a friend from class interview you: Ask each other at least 5 questions about the foods you like and why. Record your conversation and insert the video in slide 4 or 5. **Be sure to change the settings so anyone with the link can view the video.**
