

Active Bystander Training Program

Please forward to anyone you think might be interested!

We are pleased to finalize the details for an in Wayland.

What is the goal? To train every-day people how to speak out when they witness an incident of hate, be it racial, religious, or any other form of bias and intolerance. Attend and you will learn techniques for diffusing situations and supporting the victim. The trainers are great at making the sessions about the attendees and tailoring it to the group's experience. Having done the training, I strongly encourage people to attend. It is well worth your time.

Date: Saturday, June 17th

Time: 3-5pm

Place: Wayland Town Office Building

Council on Aging Room

Fee: Donation of \$10 is recommended but not required

Please RSVP to susanshager@gmail.com. All are welcomed. Please invite any one you think has interest.
